EDITORIAL NOTES

"A colored woman was recently elected school trustee at Salina, Kansas.

Tucson has been compelled to cloher public schools for want of funds. At recest elections in Kansas a numper of women were elected to official

The amount of cash in the United States treasury Merch 31st was \$628,-764 791.

The Kentucky tornado was the me disastrous in the loss of life property that has ever visited this country. Democrats continue to refuse to vote

on all questions, in the lower bouse ongress which do not suit them. The Czar of Russia is said to drink five quirts of champagne daily. His

the result is a collision, whether "coming thro' the rye," or not. Life is full of collisions. We are constantly colliding with some-body or acmediting. If it isn't with our originars it is with some dread discuss that "knocks us of the track" and perions disables us for life. Women especially it accens, have to bear the brust of mure collisions and afflictions then mankind. In all cases of nearymaness, bearing-down accessions, tenname will be Pop-off one of these early days. -- Ex. A Georgia paper says that all people in Jackson county, in that state, are related to each other, counting to

> The democrats concede that the bill d Congressman McComas, to prevent do not like it.

that former Bourbon stronghold, Missouri, as permanent.

The Boston Transcript says that the recent experiment in that state with the minently satisfactory.

Disincorporation seems to be popular in Tombstone. The Richmond is also popular.

The public debt was decreased March \$11,500,000, being the largest monthly decrease yet. At this rate it will only take the republicans eight years o pay off the debt.

The attorney general of the United States will appeal from the decision SFITS HAMMOUN DRAWINGS the court of claims which makes th overnment responsible to members of congress for loss through Silcott's de-

FAMED FOR TWENTY YEARS, The democrats certainly can not hope For integrity of it hawings, and Prompt Payment of Lass attested as follows.
"We do acreby bery by that we supervise the arrangements for all the Mouthly and Semi-Annual Drawings of the Louisians State Lottery Company, and in person manage and control the Drawings themselves. to win in the coming fall campaign after having disgraced the territory as they have by allowing their leaders to at empt to hold the territorial offices and that the same are con justed with hones ty, fairness, and in good fa.th toward all par-ties, and we authorize the Company to use which they had no semblance of a right o. -Nogales Herald. The Florence Enterprise has at last

thrown off all pretentions of being a republican paper and comes out in true mugwump colors, advocating a non-partisan ticket. The Enterprise is an excellent newspaper, however, if it is in clined to be politically mugwumpian. Mrs. Vickroy, a former resident o

his place, has been allowed something over \$200,000 for alleged losses of property by Indian raids. The property Pres. Louisiana National Bank owned by her for which this indemnity is to be paid was the old "Bully Bueno" mill on Turkey creek. Old timers here assert that \$2,000 would more than Pres. Union National Bank cover all loss sustained by her from the Grand Monthly Drawing.

The Tucson Star announces that J. A Rankin, special agent for the interior department, is engaged in the allotment of land to the Papago Incians on the 100,000 Tickets at Twenty Deliars each. Haives 10; Quariers 85; Teaths 82; Twentieths 81. San Xivier reservation. When Colonel Rankin completes his business in Tucson he will go down to the Sacaton gency and look over the ground and determine as to the propriety of allotting lands to the Maricopa and Pima Indians. Tammany Hall, upon which femocratic party alone relies for its ational success, is shown to be a corrupt and merciless gang of highway is worth retaining. obbers who have their clutches upon Nors, -Tickets drawing Ca, ital Prizes are axes and public revenues, and are bleed-For Club Rates, or any fariber it formation desired, write legibly to the undersigned, clearly stating your residence, with State, County, Sweet and Number. dent Cheyney, our contemporary takes cline. occasion to say that it brands the repubican office holders as would-be-usurpers, etc. While a few democratic papers have abused and villified Associate Jusnot a word of adverse critisism has been uttered by any paper against the dissent ing opinion of the chief justice. No one will accuse Judge Wright of being influenced by partisan motives in his opinion and yet it is a fact that by putting in a demand for his salary under the appropriation bill last fall, he then and there

recognized the validity of it, while six months afterwards he declares it invalid. The Journal -Miner again urges acuon on the part of our board of supervisors and business men in regard to gelting the road to the Bradshaw mountains in better repair for travel. The Crowned King mining company ha large quantities of high grade ore for shipment, which at present they can only ship via Prescott by pack trains. Phenix freighters have made a bid on the work which is liable to secure it, while \$6,00 per ton better is offered them by the railroad from Phenix to Socorro, the construction of a railroad from the New Mexico, than they get from Pres-

companies and individuals who prefer to trade in Prescett, and to ship the product of their mines this way. The trade | republic. The democratic officials of the ter he business men, the public offices, the ritory who are about to collapse after schools, the charities, the court, the hanging onto effice about a year without pay, are evidently hoping to get ng New York City at every pore. It even through the legislature next winemains to be seen whether there is ter. No possible effort will be omitted vitality enough left to shake off these to make our next legislative body demo democratic thieves .- New York Tribune. | cratic by so large a majority that a relief
